Ref: Secretary (TW)'s minutes at para 31/n on pre-page.

It is regarding holding of a meeting in the first week of December'99 to review the progress of implementation of annual Tribal Sub-Plan 1999-2000. The last review meeting was held on 7.10.99 vide minutes of the meeting endorsed to all the sectoral departments concerned vide page 99/c. Every sectoral department has been requested to send follow up action report on the points concerning them discussed at the above meeting, but only the following departments viz. DAH&VS, PCCF, RCS, Director of Fisheries, EE, ALHW, DSS, Director of Education, Director (IP&T) and DHS have sent the follow up action reports while the follow up action report from the rest of the departments are yet to be received. They are being reminded to send the follow up action report immediately.

Earlier there was a proposal to review the progress of implementation of TSP with sectoral departments at Car-Nicobar vide this office signal dated 9.9.99 at page 28/c, but that could not materialise. In this connection a reference is invited to the note at para 21/n on page 6/n. However, the implementing agencies at Car-Nicobar including DC, Nicobars may be invited to participate in the ensuing TSP review meeting, besides the heads of sectoral departments at Port Blair so that the problems / difficulties confronted by the implementing agencies could be discussed threadbare to find out workable solution. The meeting could be held on 7.12.99 at 10.00.a.m in the conference hall of the Secretariat instead of in the office chamber of Secretary (TW) as it is too small to accommodate all the participants.

Submitted for approval please.
