No.4-4/99-TS/DF/ 1555
ANDAMAN AND NICOBAR ADMINISTRATION
Directorate of Fisheries

Port Blair, dated the 3rd November 1999

To

The Director (TW),
Andaman & Nicobar Admn.,
Port Blair.

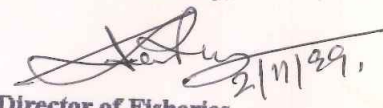

Sub:- Follow up action on the minutes of meeting held on 7.10.99 to review the progress on implementation of TSP-1999-2000-reg.

Sir,

I am to refer your letter No.1-666/99-TW/968 dated.27 -10-1999 on the subject cited above and to inform that based on the target envisaged in the IX Five year plan, we have included programme to construct Ice-Plant and Cold Storage facility at Car Nicobar during the current financial year. It is also pointed out that this programme was included during 1998-99, but due to non availability of land for the project no further progress could be made.

For the Construction of Ice-Plant and Cold Storage the department would require approximately 2500 sq. meters of land preferably in an area which has road, water and power facilities. The above requirement of land is for construction of building for Ice-Plant and Cold Storage as well as for construction of Office and residential accommodation for the operational staff. The process of allotment of land, preparation of estimate for the building may need adequate time, we have therefore kept a token provision of Rs.0.50 under the scheme "Development of Infra Structure Facilities" during the current financial year 1999-2000. However sufficient budgetary provision will be kept for execution of the work on finalisation of land during the next financial year.

Yours faithfully,

Director of Fisheries
