

You are, therefore, requested to kindly furnish the details of the schemes alongwith the funds required for the current financial year and also the utilization report in respect of the fund under SCA allocated during 1998-99 so that the same can be sent to the GOI to facilitate release of fund. It is, however, pointed out that the projections for the current financial year may be restricted to the level of fund released during the last financial year. Further the unspent balance, if any, out of the fund released during the last financial year may be adjusted against the total requirement of fund for the current financial year (1999-2000) as the unspent fund can be utilised during the current financial year as per the standing instructions of the GOI.

Please treat this as most urgent and furnish the requisite proposal latest by 17.5.99.

Yours faithfully,

Research Officer (TW)  
for Director (TW)  
(Comp File RO L-328)
