

The Medical Superintendent told that they are facing serious problem of cattle manace inside the hospital compound. In this connection EE, CD, A.P.W.D may design and construct cattle trap gate at the earliest as cattle menace gives rise to serious sanitation problems and may also pave room for mosquitoes breeding etc if not attended properly and timely. It should be done by 31 st March 2000.  
**(Action: EE, APWD, C/N).**

New, T.B Ward. In this connection the Medical Superintendent I/c has informed that a month back Dr. Burma had been to this place and during his visit he had surveyed the land available in the campus of the Hospital and found it ideal for the same. Shri J.B.Daniel, Secretary, Tribal Council desired to expedite the same especially in view of the pathetic condition of the building and reports of the A.P.W.D about the need for dismantling the same. **DHS may take action priority.**

**Wanted Family by 2000 AD:-**

Chairman has sought co-operation of the tribal council in its effective implementation. Whereupon the Chief Captain and Vice, Chief Captain Viz Shri Aberdeen Blair and Haji Ebrahim Ali Hussain has stressed the need to provide pamphlets of the scheme translated in Nicobari language as this would help maximum number of people in assimilating its benefits thereby increase in the beneficiaries would be assured.  
**(Action: DHS, Port Blair).**

The Chairman suggested to have monthly review of the stock of medicines and also to send us a copy thereof to this office as well.  
**(Action: MS, District Hospital, C/N).**

**AGRICULTURE :**

Progress in the Technology transfer is good. However on the request of the office bearers of the Tribal council the Chairman suggested to Chalk out programmes of one day camps and Churcha mondals and intimate the same well in advance to the village council Heads and Tribal councils. This may be done by 6<sup>th</sup> March'2000. **(Action by P.P.O, C/N)**

Need for drip irrigation at Car Nicobar and Cambell Bay.  
**(Action : By Director Agriculture, Port Blair).**
