Dear Shri Kapur,

Successful implementation of the Centrally Sponsored Scheme of Post Matric Scholarship for Students belonging to Scheduled Castes and Scheduled Tribes depends upon adequate availability of funds with the States/UTs to ensure timely disbursement of scholarships to students. But your State is yet to furnish complete proposal, in the prescribed proforma (already sent with d.o. letter of even number dated 26.4.1995 of Shri B B Baruri, Deputy Secretary) towards seeking due Central Assistance during 1995-96. In this regard, Shri Ganga Das, Joint Secretary, in this Ministry has addressed d.o. letters of even number on 17.5.95, 30.6.95, 4.9.95, 12.10.95 and 27.11.95 to the concerned Secretary in charge in your State.

2. I shall be grateful if you could kindly direct the concerned Department in your State to furnish the complete proposal in the prescribed proformae, expeditiously so that Central assistance due during 1995-96 could be provided without further delay.

With regards,

Yours sincerely,

( D K Manavalan )
