(96) PUC is in response
 to our letter at P. 93/C whereby we had
 requested GOI to send guidelines and
 application forms, if any for the commercial
 pilot licence training. The DRC, New Delhi
 have endorsed ^{copy of} certain letters of the GOI
 issued earlier on the subject by collecting
 the same from the ministry of welfare.

(99) The enclosures which gives information
 on availability of 15 slots for STS for
 undergoing the course and also processing of
 the application etc. it does not give any
 information on eligibility criteria for
 applying to the course. Further nothing is
 indicated regarding the application forms.

(100) It is proposed that we may endorse
 copy of the PUC along with the enclosures
 to Dir of Education since ~~it~~
 shed some light on conducting of the
 CPL course. We may also write to
 GOI to send guidelines on implementation
 of the above course.

(101) Subject to approval, two draft
 letters are added Pl.
