

Kindly see Para-136-137/Note ante at page-36 of the file. This is regarding liberation and Rehabilitation of Scavengers those were engaged in unclean Occupation in this Territory. The breif on the scheme of liberation and rehabilitation of Scavengers is given below:-

The Scavengers of this Union Territory have already been rehabilitated in the Muncipal Council in different works other than the un-clean Occupation under the Scheme of liberation and Rehabilitation of Scavengers. The Carriage of night soil by the Scavengers has been completely stopped in this Union Territory since October, 1994 and the persons who were engaged in the unclean Occupation have been rehabilitated and detailed in different works other than the unclean Occupation in the Muncipal Council. Most of them have been provided with quarters in the Muncipal area and arrangements have also been made to get land allotted for construction of quarters for the remaining workers by the Muncipal Council. In this respect, formal requisition has been sent to the D.C. Andamans, for allotment of land. As soon as the land is allotted, the construction of quarters for Scavengers will be takenup by the Muncipal Council.
