To

The Director(TW)
A&N Administration,
Port Blair.

Sub:- Providing Educational facilities to SCs & STs
students in respect of admission in post-graduate
courses.

Sir,

With reference to administration's letter
No.1-354/93-D.III(PF-1) dt. 16/3/95 regarding the matter
cited above I am to say that A&N Administration have not
issued any notification regarding classification of Scheduled
casts in this union territory. In the absence of specific
notification to the effect, there exists no scheduled cast
in the A&N Is-lands and as such no provision for reservation
of quota for SC candidates is made in respect of admission
to post-graduate courses in this college. However 7.5%
of the total seats in each course of post-graduation is
kept reserved for scheduled tribe candidates of A&N Islands
as per the guidelines issued by the University Grants
Commission/Pondicherry University Pondicherry.

2. The college offers MA(Pol.Sce.) MA(Hindi) MSc.
(Geography) & MSc.(Botany) courses. Affiliation for MA
(English) & MSc.(Chemistry) also exists in this college
but the classes in these two post-graduate courses are
not being conducted for last 2/4 years because of want of
required number of lecturers/students. The college admits
15 students in MA(Hindi), 15 students in MA(Pol.Sce.)
10 students in MSc.(Geography) and 8 students in MSc.
(Botany). 7.5% seats in each course are offered to
scheduled tribe candidates of A&N Islands.

3. No concession is granted to any candidate in
respect of application form for admission. The admission
form costs Rs.10/-

4. I feel this meets the requirement of the administration.
However if any other specific information is required to
be furnished by this office, the same may please be communicated.

Yours faithfully,

PRINCIPAL
