As proposed in para 39 above. we may also seek advise of Secy (Per) also as there may be other orders of High court/Supreme court with opportunity to be made under A&N Administration.

This was discussed with us. The present decision of the Supreme Court runs counter to the decision of Calcutta High Court in the local Barn Association case (which was later confirmed by the Supreme Court). Hence, the matter may please be got examined by the law Deptt, including its implications.
