Sub: Submission of Demands - reg.

Hon'ble Sir,

With most humbly and respectfully I on behalf of the Karen Community would like to submit the following demands for your kind consideration and favourable action please.

That Sir, we the Karen are still backward and down trodden people till today. We are lagging behind in many fields such as Socially, Economically, and Educationally and we are not able to compete with others. As such we are also not having a good representative among the ~~pe~~ Karens to lead us for our bright future.

Hence our demands are as follows :-

1. Requisition for a seat in the Home Ministry Advisory Committee.
2. Inclusion of Karen in the Tribal list .

I hope you will look into our two demands and extend your helping hands to our Karen ~~pe~~ people, and we shall ever grateful to you, for this act of kindness.

Thanking you,

Yours Faithfully,
