17. Provision of treated potable water in the rural areas in North, Middle and South Andamans.

Therefore, it is requested to look into the above mentioned grievances and the demands of BAANI which may kind be solved at the earliest and may be incorporated in your party manifesto in the larger interest of these islands and the party. It is also requested that these issues may kindly be raised in the Parliament.

With kind regards,

Yours faithfully,

M. Halder
