

- c. The D.O. letter U/6012/6/80ANI dated 5-10-1981 from Shri R.V. Pillai joint secretary Minister of Home Affairs addressed to B.K.Singh Chief secretary Andaman & Nicobar Administration at Port Blair, clearly indicates that in 1/1/1980 under the administration there were 3000 posts in group C & D reserved for scheduled tribes but only 269 posts were filled up. The direction was to fill up the rest of the posts by Migrant tribes. The administration issued orders to follow strictly the government order. But it was not implemented. Our children having the valid ST certificates did not consider against the reserved posts. It is great injustice to the migrant tribals. Let the Ranchi Association know how rest of the reserved post were filled up whether they were filled by notified local ST or kept vacant as backlog till now. We are afraid the post were de-reserved and given to the general candidates.
- d. The supreme court order 7/5/02 for the eviction of encroacher in forest land followed. Among the affected people 47% were the Chotanagpur labourers. The government policy is to stop the eviction of scheduled tribe communities and the forest dwellers community but Andamans & Nicobar Administration failed to save them from eviction. The fruit bearing trees & paddy crops were destroyed. Recently in Jhinga-nala & Jhiringatung the forest department has issued notice for the eviction of houses.
- e. We have approached the administration for the implementation of supreme court order 2005 SCCI .com 97, date of judgment 11/02/05 directed the Pondichery union territory to consider the migrated SCs/STs against the reserve post/ service for the SCs / STs, in the Andaman & Nicobar Union Territory too keeping in view, that the Pondicherry Union Territory & Andaman & Nicobar Union Territory both are standing on the same footing but so far no response from the Andaman & Nicobar administration and from the central Govt.
- f. Our request to:
- I. implement the supreme court order 2005 SCCI .com 97 date of judgment 11/02/05 in Andaman & Nicobar Islands.
  - II. include the Chotanagpur's tribals in the tribal list of the Andaman & Nicobar Islands.
  - III. stop the eviction of Chotanagpur's tribals encroacher in the forest land.
  - IV. consider the migrant tribal children against the Unutilized seats in the technical and non technical higher education in mainland till the Chotanagpur's tribals are included in the tribal list of A & N Islands.
