Sub: Request (i) to include the Chotanagpur Tribal people in the tribal list of Andaman & Nicobar Islands. (ii) to give priority for admission to the migrated S.T. against the seats reserved for local S.T. in technical & non-technical higher education in main land. (iii) to remove the ban for admission of migrated S.T./SC's against the reserved seats for S.C. /S.T. in (NIT) National Institute of Technology, Durgapur reg: -

Hon'ble Sir,

We are grateful, to you as you have initiated our demand for inclusion of Ranchi Chotanagpur Tribal People in the Tribal list of Andaman and Nicobar Islands in the I.D.A. meeting Port Blair. Our association is waiting for the file-movement to the State Home Minister, Radhupati, whom some of our members met in Delhi. The view of the minister is, there is no problem to include the Chotanagpur tribal people in the tribal list of Andaman & Nicobar Islands, because there are already some notified S.T. communities in the U.T. of Andaman & Nicobar Islands. He added that it will take time but if right step is taken and serious effort is made the work will be completed within a year.

The Supreme Court order & judgment 2005 SCCL COM 7 No. (case No. Civil appeal No. 6-7 of 1988 (with CA No. of 1998) date of decision 02.11.2005 favours the migrated SC/ST in the matter of appointment against reserved post/service for STs under administration para 15(3) of said Supreme Court order and judgment reads as: - however in the case of other benefits like scholarship, admission to educational institutions etc. the benefits should be confined to the SC/STs of this Union Territory.

In this regards I should say that unutilized seats reserved for local ST's (Category-I) in the technical & non-technical education must be given to migrated STs having the valid certificates.
