

- iii). There is a primary school, one each, at Caddlegunj and Aniket and a Govt. Senior Secondary School at Ferrargunj. The students passing out from primary schools, Caddlegunj and Ferrargunj are admitted into Govt. Senior Secondary School, Ferrargunj for further studies. A Medical Sub Center located at Ferrargunj, covers the Bathus of Caddlegunj and Aniket villages. A building to house a PHC at Ferrargunj has been constructed. It will start functioning as soon as the requirement of manpower is sanctioned by the Govt. of India. At present the PHC Tushnabad caters to the medical needs of Bathus of the above three villages.
- iv). As per the findings of the A&N Commission for OBCs an average of 70% Bathus drink country liquor made by the community themselves. This too has come down significantly over the years due to social intervention. They are no longer perpetrators of any other crime or victims as in the mainland during their earlier days.

with warm regards,

Yours sincerely,

(A. Anbarasu)
