S.No.3 (R) P...4/cor.

The original reference quoted in the PUC has been received in this Office and marked to EO(TW) but the same could not be traceable. However, a copy of the same has been obtained from the G.A. Section and placed in the file which may be seen at pages 6-17/cor. Point No.2 at page 12/cor relating to Commission of SC Commission in A&N Islands to declare the SC Communities of these Islands (i.e. for the people having A&N Islands as their only Statehood) is concerned to this deptt. In the said point, the Vice President, Bengal Association, A&N Islands (BANNI) has stated that the OBC Commission has been commissioned in these islands without commissioning the SC Commission and all the nominated members in OBC Commission are from the only one category of people i.e. III(a). Not a single member from category III(b) has been nominated in this Commission. Hence, the inclusion of OBC communities in this commission as per the recommendations of the people of category III(a) and others will not be acceptable to the majority.

In this connection, it is mentioned here that no SCs and OBCs have been declared in relation to the A&N Islands. ^{However,} The A&N Commission for OBCs has been constituted vide Admn's Notification No.1-611/93-TW dt. 23-2-1994 at pages 18-20/cor. Further, the Local Born Association has also filed SLP in the Supreme Court in this regard and the decision of the Supreme Court is still awaited. ^{Moreover,} ~~no SCs in relation to this U.T. has been declared by G.O.I.~~

It is further mentioned here that as per Govt. of India's instruction contained in letter No.B.C-16014/1/82-SC & BCD-I dt, 6-8-1984, migrant SCs/STs from other State can only enjoy the concession granted to them in their state of origin and not in the state which they have migrated.

If approved, in the light of facts stated above, a reply may be furnished to the AS(GA) please.
