have been taken up with the Administration and Government of India from time to time but till today our efforts in this regard could not be fruitful.

Sir, Here it is learnt that most of STs of this UT are under Primitive group of Tribes. The same status as per norms cannot be given to the Ranchi Community. At least they can be given ST status considering their social and economic backwardness below par with Primitive Group of Tribes (PGTs) of these islands.

We, therefore, pray to your good self that Ranchi community may be considered sympathetically in order to get them included in the ST category without disturbing the status of PGTs.

Yours faithfully

General Secretary
