Sub : Regarding reorganization of SC/ST in Andaman and Nicobar Islands.

Sir,

Most honourbly the Bahujan Samaj Party of Andaman & Nicobar Islands would like to draw your kind attention for the down trodden people of this union territory.

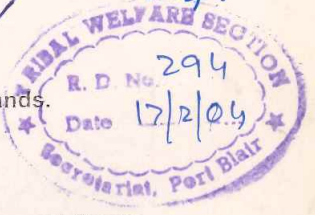

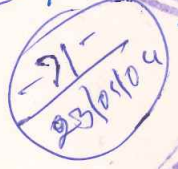

1. That Sir, almost 60-65% population of these Islands belongs to Schedule Caste and Schedule Tribes Community. The Govt. of India brought settlers under various colonisation schemes from the then East Pakistan belonging to Schedule Caste community from 1949 onwards and continue till 1976. These groups of populations in West Bengla Orrise, Chattishgardh, Assam, Tripura and Tharkhand etc where they are recognized as schedule caste and they get all benefits for caste reservation. The settlers do not have any other statehood except A & N Islands.
2. The various scheduled caste and scheduled tribes organizations and Associations have submitted several proper memorandums / applications to Ministries and Hon'ble Lt. Governor of A & N Islands time and again but it is most surprising that instead of reorganization of SC/ST in this Union territory the OBC commission has been commissioned. The OBC Commission commissioned for this union territory is totally misleading. The OBC commission catagorised as Pre - 42, Mophala, Bathu & Settler. Here the question arises Bathu and Mophala are also falls under Pre-42. Therefore
