Subj: Memorandum of Demands.

Respected Sir,

While extending our hearty welcome and warm regards for your visit to these isolated Islands Territory of A & N Islands. We are sure that after touring few places from Diglipur to Campbell Bay you must have experienced and felt the problems of we people and hope that you will kindly consider sympathetically on priority basis to solve our following grievances.

1) Stoppage of Influx

The influx of population is one of the major of basic problem of these Islands you will find that the illegal entry of Foreign Nationals/ like, Myanmarese, Bangla-deshis and Sri Lanka Tamilians is a very serious matter.

The population as per the Census years is as follows:-

Census	Population Figure	Density of population
1961	63,343	9
1971	115,000	14
1981	139,000	23
1991	230,000	43
2000	around 314,000	90
