made at par with the state High ways of the Mainland. This will save Crores rupees worth of national waste by way of high Consumption of fuel product heavy maintenance of all types of Vehicle and the great inconvenience to the travellers. The Prime Minister of India during his last visit sanctioned 11 Crores for these road but the condition remain the same. This will help cut short time of travel and savings for all concerned.

There are many a other burning problems which will also be brought the notice of such for solving.

I shall be thankful to you if would kindly take up the above matters with the Govt of India and solve them in favour of inhabitants of there remote Islands.

Yours Faithfully,

Kuldeep Rai Sharma
