

The Tribal Sub-Plan is a part of the UT Plan. Formulation of the Xth Five year plan (2002-2007) has been taken up by the Planning Department. So the exercise for the formulation of the Tribal-Sub plan for the Xth Five year plan period is to begin simultaneously. The inter-action with the tribal leaders for the formulation of Xth Five year plan was held on 1nd & 2nd August, 2001 in which every department having Tribal Sub-Plan participated. Now they can formulate the Tribal Sub-Plan on the basis of the suggestions emerged from the above inter-action.

Therefore we may address every sectoral department to formulate the Tribal Sub-Plan for a Xth Five Year plan and Annual Plan 2002-2003, if approved. A draft DO letter is placed below for approval please.
