Sub:- Formulation of Xth Five Year Plan based on felt in needs of the people at grass root level - reg.

Sir,

As you are aware, under the Panchayati Raj system development schemes/programmes for Annual Plan and Five year Plan should be finalized / formulated after taking into account the actual requirements / felt in needs and aspirations of the people at grass root level, so as to ensure maximum benefits out of those development schemes / programmes.

The District Planning Committee has already begun the preliminary works towards formulation of Xth Five Year Plan by involving people at grass root level. A thorough scrutiny on all the ongoing schemes of your department to decide whether all the existing schemes should continue in the Xth Plan also. Similarly new schemes, which can benefit the people, should also be considered for inclusion in the Xth plan of your department.

You are, therefore, requested to kindly send necessary details of new Schemes, proposed for the Xth Five Year Plan by your department in the usual format together with the list of ongoing schemes to be included in the Xth Plan, to this office, immediately, but in any case not later than 20th June 2001.
