Therefore, we may explain to Chairman APC that it is not possible to discuss tribal-sub-plan after finalising the overall UT Plan as ^{Tribal sub-Plan} it is part of the UT Plan. However, informal discussions could be held at the time of finalising of the outlays after securing the plan size.

There is no separate allocation for the Tribal sub-plan. The document so titled is a compendium of provisions within a sub-sector. This has already been discussed. The document itself gets ready only after final allocation is received from the Prog. Comm. & the schemes are recast.
