

doctors as shipping services are going to improve considerably in next six months.

- The Team also felt that development departments such as Agriculture, Animal Husbandry and Fisheries should prepare pamphlets in tribal language so that tribal people are more aware of the schemes and are also able to avail of the benefits of the schemes.

The team received valuable inputs during the visit which would be useful both for future planning as well as for solving some of the immediate problems of the villagers.

Demands made /Points raised and proposed action has been tabulated in Detail department-wise.
