

Shompen Hut		Sub-centre is well managed by one lady worker. However more cough syrup /skin ointments need to be stocked. Medical officer from Campbell Bay should visit twice in a week. More awareness is needed to bring change in the life style of the tribals as many of them are suffering from skin diseases. <u>Skin specialist from Port Blair should visit Shompen Complex once in six months.</u>
Campbell Bay	Posting of Ward Boy in all the sub-centres	No such provision exists in the prescribed staffing norms of GOI for sub-centres. However, "Multipurpose Workers Scheme" needs to be examined for implementation in remote locations.
