

DIRECTORATE OF ANIMAL HUSBANDRY

Action : Development Commissioner, Director (Animal Husbandry), DC C/N

Place / Island	Demand / Point Raised	Reply / Proposed Action
Chowra	Deaths of pigs and steps being taken. Captain is interested for some Nicobari fowl or other breed for poultry.	Survey is under way and reports will be available by end April. Vaccination has been done fully. Proposal for providing a trio pig unit to affected families has been submitted for approval. Poultry units will be provided.
Teressa	Deaths of pigs and steps being taken.	Survey already conducted and is under compilation. Trio pig units will be provided after proposal is approved. Back yard birds are likely to reach for distribution by next sailing.
West Bay, Katchal	Providing Vehicle to Vety Dispensary	A jeep has already been allotted and may reach by first available vehicle ferry. A motorcycle has been stationed from 1999.
	Supply of hens, pigs and goats.	Some birds have reached and other would reach shortly. Pigs will be supplied in coming sailings. As demand for goat was not submitted earlier, the interested farmers/tribal will be identified and will be provided goat units.
Upper Katchal	Providing compensation in lieu of swine fever deaths.	Scheme under SCA programme has already been submitted for approval of administration.
	Engaging local boy for Vety. Services in the Village	Proposal is under consideration for Upper Katchal, Daring and Pilpillo. Supply of birds to farmers. Birds reached katchal but farmers could not reach & collect them, they were sent to Nancowry & Campbell Bay. Birds will reach Katchal in next sailing.
