

PilloMillo Pilloullo & Pillopanja	Supply of EFR materials from Campbell Bay.	Tribals of the area have to go to either Nancowry or Campbell Bay for getting required material. It was decided that these areas shall be put under Campbell Bay sub-station with immediate effect so that the staff posted at Campbell Bay can visit these areas every month and deliver the required fishing materials at their place itself. The tribals were also advised to get fishing license. Action : Director (Fisheries)
Campbell Bay	Fishing nets (Cast net & ring net, hook, and line) are required for the Shompens. DC, Car Nicobar desired that fresh water fish seeds in large numbers to be released in the Glathia river to increase the fish stock for the Shompion. Fishermen requested for issue of Fishing engine and Dinghi on subsidy rates (50%)	Director (Fisheries) to look into an priority. Action : Director (Fisheries)
Pillow Babhi	Supply of fishing dinghy with engine.	Fisheries Department to consider appropriate schemes, as there was demand from many tribals in different villages. The tribals were also advised to obtain valid fishing license for availing subsidy and other benefits. Action: Director Fisheries
