- (7) SHIPPING : As per the inter-Island passenger-cum-cargo ship step motherly treatment is usually needed out to a poor tribal. Earlier we used to be permitted to transport out cattle from one Island to another which have now been stopped. Beside the fact that in-sufficient trips are made to these Island due to shortage of ship. There is no landing facilities in Chowra and Teressa Island.

Thanking you,

Yours faithfully,

(Ebrahim Ali Hussain)
