Port Blair dated the 7th February, 2000.

Dear Shri

Please refer to Director (TW)'s letter No. 1-505/98-TW/86 dated 27.1.2000 (copy enclosed for ready reference) regarding agenda items suggested by Shri Ibrahim Ali Hussain, Member, HMAc. The gist of the agenda item is reproduce below.

Nicobarese settler at Hut Bay (Little Andaman):

With the oral instructions of the Chief Commissioner of Andaman & Nicobar Islands Shri Harmender Singh, about 65 families were sent from Car-Nicobar in 1972 to settle down in Little Andaman at their own cost. By now the size of these families can well be imagine. So far these families have not been formally allotted their entitlement of land as per the guide line of the Administration in regard to the allotment of land to the other settlers."

I shall, therefore, be grateful if you could kindly look into the matter and furnish your comments to the Tribal Welfare Department immediately.

With regards,

Yours sincerely,

Encl. AA
