

for additional land the administration requested the Ministry of Defence to release 410 acres of land allotted to the Navy nearby Harminster Bay. However, the GOI, Ministry of Defence released 310 acres of land, retaining 100 acres for their use vide their telegram dated 23rd October'1992 at page 33/c. In terms of the above telegram the administration vide its letter No. 1-25/990-HR dated 5th November'92 at pages 34-35/c asked the Fortress Commander, A & N Islands to hand over the land to the revenue authority for allotment to the Nicobarese of Haminder Bay, but it is not known whether the above land has been allotted to the Nicobarese. We may therefore find out from DC, ^(ANDAMAN) Nicobars whether the above land has been allotted to the Nicobarese of Haminder Bay.

A fax message to DC, Nicobars and a letter to DC, Andamans are placed below for approval please.
