Andaman Special Allowance has been mentioned and it provides for higher graded structure in case of Southern Group of Islands.

Point – 14 Naming the Government District Hospital at Car Nicobar as “Bishop John Richardson Hospital” and Air Port at Car Nicobar as “Edward Kuched Air Port”.

Both the persons namely Bishop John Richardson and Edward Kuched have lot of contributions in the development of Car Nicobar. The people of Car Nicobar have highest regard to both of them. All the Captains and Tribal Council, Car Nicobar have also submitted a representation in this regard to Hon'ble Lt. Governor.

However, a decision in this regard can be taken after following the due procedure as the Airport belongs to IAF.

Point – 15: Providing Civic Amenities in Car Nicobar District.

Rural roads (APWD)

- i) Out of 15 villages in Car Nicobar, only three villages having Rural Roads

Out of 15 villages, almost all villages are connected with main road. Total 76 KM road already constructed in the island. Recently one estimate for 4.4 KM length CC Footpath (1.2M wide) has been sanctioned for connectivity within the villages as well as connectivity of some villages with main road. Tenders have been called.

- ii) No approach road for going to church Graveyard

Rural road to Graveyard at Malacca recently completed.
