

basis in various poverty alleviation schemes. It was decided that Secretary Local Self Government should be requested to allot shops and establishments on priority basis to physically handicapped persons.

4. The attention of the members were drawn towards the treatment meted out to the physically handicapped persons when they approach various departments for some relief. It was felt that the department should be requested to be more sympathetic towards the physically handicapped persons.

5. All the members particularly NGO's were requested to bring to the notice of the committee the particular cases where injustice has been meted out to the physically handicapped persons.

It was decided to hold next meeting of the committee on 27th Nov. 1998.

The meeting ended with vote of thanks to the chair.
