The Director of Social Welfare, A & N Administration, Port Blair with reference to his letter No. 4-188/98-TW dated 31.8.98. In this connection it is pointed out that a tribal leader proposed to be nominated to the executive committee will have to come to Port Blair to attend the meeting of the committee as and when required all the way from Nicobars. This will involve a considerable expenditure towards his to and fro journeys including stay at Port Blair. Therefore, it is requested that necessary provision may kindly be made for payment of TA/DA to tribal leader if it does not exist already and intimate to this office at the earliest.
