Dear Shri Narayanaswami,

Please refer to the D.O. letter No.25-1/98-RC/842 dated August 11, 1998 from the then Development Commissioner cum Secretary (Planning), A&N Administration furnishing a Status Paper giving details of the Action Taken on some studies undertaken for the development of A&N Islands. An analysis of the Status Paper reveals that although action has been taken on a number of recommendations but on some recommendations, the Status Report is silent. I am enclosing a list of studies (Annex-I) commissioned by IDA and would request you to arrange to furnish information on the Status of the Action Taken on recommendations of these studies as per the enclosed format (Annex-II).

With regards,

Yours sincerely,
