- (i) non-tribals will be reduced. *The apprehension expressed by the National Commission for SC & ST of shift in control of local resources base appears to be true. Non-tribal population in the island of Kamorta and Katchal has already overtaken tribal population and history will repeat itself all over Nicobar District if steps are not taken to enforce the NAT, Regulation, 1956 strictly.*
- (ii) In order to prevent shift in control of local resources base, it is necessary that the facilities are denied to all the illegal non-tribal entrants with immediate effect. Tribal pass should be mandatory for non-tribals for
- (a) Ration Cards
