To
The Hon'ble Lieutenant Governor,
Andaman & Nicobar Islands
Port Blair

Sir,

Sub :- Application for issue of TRADE LICENSE to execute Engineering contract works in tribal areas under PAT regulation 1956.

With reference to the above subject, we would like to introduce ourselves as one of the reputed Engineering Contractors having registered in various state and Central Government organizations. We have successfully completed major projects and presently we are executing a major job for A.P.W.D for 'Extension Of Run Way at Port Blair Airport' to the tune of Rs. 10.00 Crores. We have achieved a financial turnover of Rs. 25.63 Crores in the financial year 2002-2003 and our projected turnover for the year 2003-2004 with the present commitments is Rs. 30.00 Crores.

We are interested to participate in tender in M.E.S for provision of FTT at AF Station, Car Nicobar (Tender No: C.E A&N Z/PB of 2003-2004). We learnt that it is a mandatory regulation to procure 'TRADE LICENSE' under PAT regulation 1956 for quoting tenders in tribal areas.

We hereby assure that we will strictly abide by the provisions of Andaman & Nicobar Islands (PAT) regulation act 1956 and the rules made there under and also by the terms and conditions of the license, if granted. We request your good self for the issue of trade license to enable us to quote and execute the works in tribal areas of A&N Islands. We will be thankful for your kind consideration in this regard.

Thanking you,
Yours faithfully
For Integral Construction Company
