

encroachment, as held earlier, since the municipal Corporation has a constitutional & Statutory duty to provide means for settlement & residence by allotting the surplus land under Urban Land Ceiling Act and if necessary by acquiring the land & providing house sites or tenements, as the case may be, according to the Scheme formulated by the Corporation.

To provide the weaker sections, in particular the Scheduled Castes and Scheduled Tribes with Socio-Eco & political justice & to prevent their exploitation and to prevent them from injustice. The Union of India have evolved Indira Awas Yojna exclusively to provide housing accommodation to the SCs & STs.

However in this U.T. twin houses are being provided to the Nicobare Tribal Families under the centrally sponsored scheme viz Indira Awas Yojna.

If approved, we may endorse a copy of the judgment to the Hx. Secy AATVS & D.C. Nicobars for compliance.

Two Drafts placed for favour of approval pl.
