Written information(as per the Questionnaire) (Flag 'A') asked for by the Parliamentary Committee had been supplied immediately on arrival of the Committee at Port Blair. However, discussion relating to Tribal Welfare Department was organised at Car Nicobar wherein the undersigned assisted by Deputy Commissioner, Nicobars and other representatives of the departments of the Administration had replied to all the points raised by the members of the Committee. Since the entire discussion related to the points mentioned in the questionnaire, there was hardly any question which could not be replied ^{to} by the officers of the Administration.

Keeping in view the above, during my recent visit to Delhi, I called on Shri Malhotra, Joint Secretary, Lok Sabha Secretariat and enquired as to what kind of further information/papers/documents were desired by the Committee. He informed me that there was nothing particular wanting from the Administration's side. However, after completion of the tour of the Committee, he had written to all the departments in a routine manner so that in case any information was pending from any department, the same could be procured.
