

- (d) Medical facilities were not sufficient.
- (e) Inter Island shipping service should be increased.
- (f) Telecommunication facilities should be provided at subsidised rate.
- (g) Opening up of a Engineering and Technical College.
- (h) Air services between Port Blair and Car Nicobar or new services between Car Nicobar and Mainland be introduced.

As far as the discussions between the Administration's officials are concerned, various points were discussed. No adverse comment/suggestions on these points have been made by the Study Group. We may however give our comments to Study Group regarding demands of the Village Captains of Car Nicobar Islands. Comments from various Deptts. dealing with these demands are being called for so that the consolidated reply on action taken by this Admn. would be submitted to the parliamentary Committee on Welfare of SCs & STs . For information and approval please.
