belonged to SC amounting to 2.05%. In Group D category out of 80 persons only 5 belonged to ST amounting to 6.25%.

#### LIAISON OFFICER

It was stated that the Divisional Manager who was incharge of personnel and administration was looking after the matters concerning the reservation of vacancies of Scheduled Tribes. However as regards SC/ST no cell had been set up in the organisation as it had only limited number of posts.

#### PROMOTION

The Committee were informed that none of the ST candidates had been promoted during the years 1992, 1993 and 1994 as none of the ST employees in the Corporation had completed the minimum required qualifying period of service in this present grade to become eligible for promotion to higher posts.

#### TRAINING

The Committee were informed that no inservice training was given since the number of employees available in the Corporation was meagre and limited.
