

Sub:-Deputation of Dir(Agri), Dir(Edn), Dir(Shipping), Dir(Health Services), Dir(Animal Husbandry), etc to Car Nicobar in connection with the meeting/discussion with the Parliamentary Committee on welfare of SCs/STs on 3rd February, 1995

The undersigned received a telephonic call from Deputy Commissioner, Car Nicobar about half an hour back. The latter has been under the impression that so far as the detailed discussions on the points (listed in the Questionnaire of the Lok Sabha Secretariat) with the Parliamentary Committee is concerned, a full-fledged meeting comprising of Chief Secretary, Secretary(TW) and all other concerned Heads of Departments has been organised at Port Blair. However, when the undersigned informed him that no such meeting has been arranged at Port Blair and the entire discussion is supposed to take place at Car Nicobar with the Deputy Commissioner, Director(TW) and other concerned UT officials, the Deputy Commissioner, Car Nicobar opined that we shall not be in a position to answer all the queries of the Committee members until and unless atleast some of the Heads of Departments like Director(Agriculture), Director(Education), Director(Shipping Services), Director(Health Services), Director(Animal Husbandry) etc are also present in the meeting as the said departments are mainly concerned with the implementation of Tribal Sub-Plan.

In view of the above, it is proposed that we may request the said Directors also to accompany the Parliamentary Committee to Car Nicobar by MV Chowra at 5.00 pm today.

Submitted for kind consideration and approval/orders please.
