

-9-

is accompanying the Committee. If any other officer of the rank of Director or Secy. wants to accompany the Committee, I have no objection whatsoever. He should with the committee officers. If they want to depute their representatives, that is also O.K.

Dir (TW)

I have spoken to DHS and he has agreed to depute Dr. Rasheed to Car Nicobar. D.E. has indicated that a senior officer of the rank of Education Officer is already there. He would brief him about the visit of the Committee. D.E. is not in a position to leave the HQs. as he is involved in organising the Dweep Mahotsav. Similarly, Director of Animal Husbandry is proceeding on leave day after tomorrow. However, he has agreed to depute a senior officer to Car Nicobar for the purpose. D.S.S. is unable to go to Car Nicobar because no other officer is available at Port Blair.

I have not been able to contact the Director of Agriculture. However, keeping in view the fact that a wrap up meeting may be held, if necessary, at Port Blair, the participation of officers as above will be adequate.
