12. Shri Tambolae wanted that a Helipad should be constructed at Dugong Creek. Bund may be provided along with their house to stop water coming into the house. When tribals are called for the public functions they should be provided proper accommodation in the boat. He further desired that their present house accommodation should be extended and necessary arrangements for supply of fish and pigs should be made. He also wanted that all the tribals be provided with one bi-cycle.

13. Intervening in the discussion the L.G. assured him that shortly an Engineer will be deputed to look into the matter of extending of houses. In the first instance 10 bi-cycles will be provided to them. The L.G. further assured him that two men of their community will be given employment in Police and he will personally visit the Dugong Creek to look into other demands.
