Deputy Adviser (BC & TD)

Sl. No. 10 (A)

Dated : the 20th July, 1993

Dear Shri Awardi,

There are nomadic, semi-nomadic and other migratory groups in your State. In view of their migratory nature, they are not able to derive benefits accruing from various development programmes of the Plan. Nonetheless, your State might have been implementing some special schemes for their development. It will be appreciated if information regarding names of such communities (SC/ST/OBCs or other categories), their population, geographical distribution in the State, occupation, various schemes being implemented for their development and their impact is sent to us urgently. It is proposed to convene a meeting to formulate strategy and programmes for their development with the concerned States/UTs and Ministry of Welfare after the receipt of the above mentioned information from the States/UTs.

With regards,

Yours sincerely,

G.P. Bharal
