

Forest Department will arrange small attractive wooden handicrafts for display and sale in the IITF'98 as was done during the previous years.

(Action: PCCF)

Director of Industries will organise suitable display of shell handicrafts along with wooden handicrafts including private participations in a befitting manner.

(Action: DI)

Director, Fisheries would organise aquarium of commercially important fishes available in Andamans, photographs as well as write up including fisheries potential in these islands. The planning for the display of aquarium should be done well in advance so as to suit the place. He would also organise screening of films on fisheries potential.

(Action: DF)

Director of IP&T would organise display of good laminated photographs of the tourist spots, making of quality tourist brochures, sale of picture post cards and other salable items through tourist information counter. The films produced towards promotion of tourism in these islands would be screened / displayed in a befitting way.

(Action: DIPT)

Director Education along with Director IP&T would arrange to display the big laminated blow ups of celebration of 50th year of India's Independence in these islands with proper captions including President of India's visit to these islands. The stamp, coin and silver medal should be displayed in an artistic way during the Fair.

(Action: DE/DIPT)

Regarding celebration of one of the ten days as "Andaman Day" during the IITF'98, the matter was discussed. However, final decision about the celebration of Andaman Day was deferred and would be taken at the next meeting/at higher level.

(Action: DIPT)

Regarding transportation of goods, exhibits etc., it was unanimously decided that this time all the exhibits would be transported through Chennai-bound ship for better coordination. DRC, Chennai and Dy. Manager ANIIDCO at Chennai would be directed to coordinate. However all the participants should reach New Delhi at least 15 days in advance for various planning, and other coordination required by RC New Delhi.

(Action: DIPT/DRC).
