

Telecom Ministry. The Chief Secretary also desired that the glass-bottom & inflatable boats currently stationed near Dolphin Yatri Niwas, Havelock in a state of disuse are to be utilised properly or alternately, they may be re-deployed elsewhere

(Action: Secy(IPT)/Dir.(IPT)

**4. Handing over of Swiftlet Nest, Mayabunder.**

The Chief Secretary desired that Swiftlet Nest at Mayabunder should be handed over to APWD. A 1 ½ month period can be given to complete the necessary handing over/taking over formalities in this regard. APWD is to take over the establishment by 15<sup>th</sup> April, 2000.

(Secy(IPT)/CE(PWD)

**5. Status of improvement of aquaduct at Panighat.**

It was decided that the aquaduct could be restored to its original form by taking up repairs on the existing structures. The historical background of the area including the aquaduct should be displayed prominently near the aquaduct for the information of those visiting the area. The area around the aquaduct is to be beautified by landscaping, adding benches, sit-outs, etc.

(Action: CE, APWD)

**6. Running of Waves Restaurant**

The unsatisfactory manner in which the Waves Restaurant was being run by unemployed youth co-operative society was discussed at length. The Chief Secretary desired that a status position in this regard is to be given within a fortnight.
