

13. Each food stall will be allowed to place a maximum of 20 chairs in front of their stalls.
14. Chairs or display items should not be placed obstructing the passage in front of the stalls. In the III circle 2 meters space should be left for passage just in front of the stalls.
15. The allotted stall completed in all respects should be made available to the Screening Committee of the Administration for inspection by 2 pm on 18th Dec. 02 and the recommendations/suggestions of the Committee, if any, should be carried out expeditiously by the allottee at their own cost.
16. The Screening Committee reserves the right to cancel the allotment if the allottee does not maintain the expected level of standard or conform to the terms and conditions.
17. If any allottee consumes more than the power permitted the connection to such stalls will be automatically discontinued without notice. Reconnection will be given only after taking necessary action to reduce the power consumption by the allottee and after the inspection of the same by Executive Engineer, Workshop Division, A.P.W.D.
18. The walls of the stalls in I circle should not be disfigured, destroyed by putting nails etc. Furnishing/ finishing of the stall should be done keeping this in mind.
19. Food items should not be kept in the open. All food items should be prepared in good hygienic conditions and have compliance of standards prescribed by the Directorate of Health Services. All food stalls should place proper dustbins for waste disposal to ensure cleanliness in their stalls and surrounding areas.
20. If wash basin/hand wash facility is provided in the stalls, it should be ensured that drainage pipe is attached to it to take the waste water to a place behind the stall.
21. Cooking by using firewood inside or outside the stalls is totally prohibited. Proper fire safety arrangements should be made by the allottee and they should follow the guidelines of Chief Fire Officer in this regard.
22. No article other than those mentioned in the application should be sold or displayed in the stall.
23. It is the sole responsibility of the allottee to hand over the stall after the exhibition to the APWD in perfect condition and obtain a no objection certificate from the Junior Engineer, APWD site office, Exhibition ground for release of the Security deposit. The Directorate will not bear any responsibility for any damage of the stall/items if any caused by loss/theft/natural calamities or any other reason.
24. The staff deployed in the stall should be courteous and cordial to the visitors, properly dressed and well disciplined while on duty particularly in food stalls.
25. No vehicle will be allowed to go inside the I circle of the pavilion. Exhibits and other materials should be taken in to the stalls through the door provided at the rear part of the stall. No vehicle will be allowed to go inside the II and III circles from 20/12/02 to 04/01/03.
26. No advertisements, banners, posters etc. will be allowed in the exhibition area. Desirous parties can approach Directorate of IP&T and get advertisement space on the outer wall of the pavilion which is available on payment.
