Sub: Bharat Darshan Tour, 2004-2005 – regarding.

Sir,

I am directed to refer to your letter No.10-5/2004-Pty/461 dated 24/2/2005 on the above mentioned subject and to say that the information about ensuing Bharat Darshan Tour for the year 2004-2005 was disseminated in all the three Relief Camps of the Nicobarese tribals at ITF Ground, Nirmala Senior Secondary School Ground and Nicobarese Guest House, South Point.

None of the tribals staying at the Relief Camp set up at ITF ground and in front of Nicobarese Guest House at South Point are willing to participate in the ensuing Bharat Darshan Tour. However, Some boys and girls, mostly students staying at Relief Camp at Nirmala Senior Secondary School ground have come forward to participate in the ensuing Bharat Darshan Tour. They have been given the prescribed form to furnish their particulars along with the consent of their parents / guardians and village captains, but they are to submit the completed form.

In this context it may be mentioned here that the tribals staying in the different Relief Camps have started returning to their respective Islands in groups following availability of materials for reconstruction of their houses. The tribal families may require the assistance of their family members (boys and girls) in erecting their new houses.

Yours faithfully

ole.
