The Committee observed that some of the sponsoring agencies have not forwarded the complete details like income, previous visit under the Bharat Darshan Tour, etc. Secretary(IP&T) therefore, directed that the Director(IP&T) will check the records and obtain certificate from the sponsoring organisations to this effect, if required.

The Committee further observed that this is not a suitable time for the Bharat Darshan Tour and ideal time would either be Sept-Oct or Feb. Director (IP&T) was accordingly advised to initiate necessary action immediately and ensure that the next Bharat Darshan Tour be sent by Sept-Oct., 95. The committee also observed that the next tour be taken to places like Delhi and other important cities and Director(IP&T) will work out the necessary logistics accordingly.

The meeting ended with a vote of thanks to the chair.

Director(IP&T)
