

7.0. ORISSA

A combined Task force of the 5 Corporations should be sent to Orissa immediately to start assistance program -mme in right earnest.

7.1. The RM of NBCFDC has already reached there and his report to be used as a base for starting operation.

7.2. As mentioned before, Group financing would be the quickest and safest way to quickly reach large No. of beneficiaries in this State. Wherever necessary, rules should be relaxed.

8.0. GENERAL

8.1. The Apex Corporations should evaluate the effect of of their loans on the target groups to ascertain the percentage increase in their annual income.

3.2. Small loans can be extended three times to the same person, after he or she has repaid the previous amount. This should help the person concerned to come above the double poverty line.

3.3. The Apex Corporations should think of more innovative schemes suiting the particular Districts & villages as also the need of the eligible beneficiaries.
