Dated 15th June 2005

Dear

The Standing Committee of Parliament on Ministry of Social Justice and Empowerment in its deliberations has raised the question of frequent transfers of Chief Executives of various State Channeling Agencies (SCAs) including the officers on deputation from various State cadres to these SCAs which results in difficulties in implementing the schemes of the National Backward Classes Finance and Development Corporation (NBCFDC). The Standing Committee also expressed its concern about inadequacy of staff in SCAs in various States resulting in the work of implementation of Schemes of NBCFDC being assigned to District Collectors.

2. I shall be grateful if appropriate steps are initiated by the State Governments/U.Ts whereby stability of tenure is ensured to the officers appointed in the various SCAs and also requisite staff strength is provided to these agencies which will have the impact of improving the implementation/monitoring of various schemes of NBCFDC. A line of confirmation in the above matters would be appreciated.

Yours sincerely,

(Dr.G.Prasanna Kumar)
